

Speed Queen

COMMERCIAL LAUNDRY EQUIPMENT

COIN OPERATED TUMBLE DRYERS

LOADSTAR®

0220 – 0270 – 0350 – 50 – 55

TWINSTAR®

0300 – 045

01

Standard galvanized drum

- Superior quality
- Corrosion-resistant
- Oval drum holes preventing damage from standard drywall screws
- Stainless steel drum: optionally available

02

Superior finish

- Embossed steel front & side panels: easy to clean & long life-span
- Stainless steel front panel: optionally available

03

Large stainless steel door

- Large door opening: easy & efficient loading and unloading of the linen
- Door opening positioned on the most appropriate height from the floor: easy for the staff to load and unload
- Extra strong hinges and heavy-duty stainless steel door handle: designed for use in high-industrial environments
- Door can open 180°
- Door can be reversed to open from the right or left

04

Self-cleaning lint filter

- Deposit of lint into a large storage area
- Easy removal of lint
- Efficient drying
- No manual cleaning of the filter is needed

05

TWINSTAR®: stack tumbler dryers

- Double capacity in the same floor space
- Extra large cylinder capacity
- Available with stainless steel front panel

06

Control Options

- This control's digital display is highly reliable and future proof. It shows vend price, while customers stay informed during operation with its digital cycle countdown. This control can interface with the store owner's card manufacturer of choice.
